NOTICE TO PASSENGER of NO INSURANCE or INSUFFICIENT INSURANCE

(Alaska Statute 09.65.112)

JOHN DOE, the OWNER(S) and/or OPERATOR (both being hereinafter referred to as "Operator"), of the aircraft, i.e., a _____, N _____, may have **NO INSURANCE or INSUFFICIENT INSURANCE** to compensate a passenger for injuries the passenger may suffer, or for civil damages that could be awarded against the Owner and/or Operator of the aircraft.

By signing below I acknowledge and agree, on behalf of myself, my heirs, devisees and assignees, that on this trip, in which I am about to be a passenger:

1. That I am not a prospective buyer of the aircraft;

2. That the aircraft is being used only for recreational purposes and is not being operated as a common carrier or used for commercial purposes. Furthermore, I agree that I am taking this trip solely as a recreational passenger, and not in the capacity as an employee of any company.

3. I have been informed that the Operator uses this aircraft only for recreational purposes and does not operate the aircraft for hire, that the Operator of the aircraft has fully informed me of the risks (including death) of being a passenger on this trip, that I could choose not to be a passenger on this trip, but despite all these cautionary warnings and fully recognizing the potential for resulting harm to myself no matter what precautions may be taken in advance, **THAT I NONETHELESS ASSUME ALL THESE RISKS**.

4. I read and understood the Alaska statute cited above, a copy of which is attached hereto on page 3 of this Notice.

5. That this Notification and agreement shall be binding upon myself, my heirs, devisees, legal representatives, assigns and successors.

6. I sign this Notice before I enter the aircraft.

ALASKA STATUTE

AS § 09.65.112. Civil liability for aircraft and watercraft guest passengers.

(a) An owner or operator of an aircraft or watercraft is not liable for the civil damages of a person being transported in the owner's or operator's aircraft or watercraft if the aircraft or watercraft is not being used for commercial purposes.

(b) This section does not apply to a civil action

(1) for damages resulting from

(A) gross negligence or reckless or intentional misconduct;

(B) an act or omission of an owner or operator of an aircraft or watercraft if the aircraft or watercraft is being operated as a common carrier; or

(C) an act or omission of an owner or operator of an aircraft or watercraft that occurs while demonstrating an aircraft or watercraft to a prospective buyer; or

(2) described under (a) of this section if the owner or operator

(A) has insurance that would compensate the claimant for civil damages awarded against the owner or operator; an owner or operator who is insured as described in this subparagraph is not liable for civil damages described in (a) of this section that exceed the applicable insurance; or

(B) does not have insurance that would compensate a person being transported as described under (a) of this section for civil damages awarded against the owner or operator and, before the person being transported enters the aircraft or watercraft, the owner or operator fails to provide notice to the person being transported that the owner or operator is uninsured as described in this subparagraph.

Acknowledged as being read and understood.
