The contracts database is compiled from the FPDS-NG system. For timeliness details, please see the <u>Data Quality</u> tab.

Note: The numbers in this table can change after each data load. Transactions included in a data load can impact numbers for the current and previous fiscal years.

The data housed on USASpending.gov is provided by Federal agencies. Please refer to the <u>Data Quality</u> site for information about the current status of data quality. USASpending.gov is continuously developing ways to measure and improve the quality of the data on the site.
