## **DEFINITIONS**

- § 2234.1-1 Scope; definitions.
  - (b) Definitions. As used in this Subpart:
- (9) "Right-of-way" includes license, permit, or easement, as the case may be, and, where application, includes "site".

## **GENERAL PROVISIONS**

§ 2234.1-3 Nature of interest.

(a) Nature of interest granted; settlement of right-of-way; rights of ingress and egress. (1) No interest granted by the regulations in this part shall give the holder thereof any estate of any kind in fee in the lands. The interest granted shall consist of an easement, license, or permit in accordance with the terms of the applicable statute; no interest shall be greater that a permit revocable at the discretion of the authorized officer unless the applicable statute provides otherwise.

§ 2234.1-5 Revocation or cancellation.

(a) Order of cancellation. All rights-of-way approved pursuant to this part, ... shall be subject to cancellation for the violation of any of the provisions of this part applicable thereto or for the violation of the terms or conditions of the right-of-way.
