

Candidate Statement

At-large

Board of Governors

- Alex Bryner

Alex Bryner
Statement of Candidacy, At-Large Position
Alaska Bar Association Board of Governors

For the past three years I have had the privilege of serving as the at-large member of the Alaska Bar's Board of Governors. In that capacity I worked diligently to promote the best interests of Alaska Bar members throughout Alaska. I found the work to be challenging but professionally rewarding and would be honored if elected to another term in the position.
